

MobileTEK Consulting – Capabilities Statement

COMPANY SUMMARY

MobileTEK Consulting is a small business that has been providing technology solutions to the government and private sector clients since 2002. MobileTEK focuses on mobile and portable computing solutions with an emphasis on ruggedized laptop computers, mounting and docking solutions and portable printers. MobileTEK also offers cloud computing solutions such as hosted desktops, hosted servers, hosted electronic mail, hosted VOIP phone systems and hosted video/web conferencing. Vendor relationships include Panasonic Computer Solutions Corporation, Havis, and Brother Mobile Solutions.
